I FEEL LUCKY (Mary-Chapin Carpenter & Don Schlitz)

[Actually in B; capo at the 7th fret]

B B B B B B B B
[intro]

B B
Well I woke up this morning stumbled out of my rack

B B
I opened up the paper to the page in the back

E E
It only took a moment for my finger to find

B B
My daily dose of destiny, under my sign

F# F#
My eyes just about popped out of my head

B [stop] n.G.
It said "the stars are stacked against you girl, get back in bed"

E E B B
I feel lucky, I feel lucky, yeah

F# F#
No Professor Doom gonna stand in my way
B [stop] n.G. B B B B
Mmmmm, I feel lucky today [instrumental]

Well I strolled down to the corner, gave my numbers to the clerk
The pot's eleven million so I called in sick to work
I bought a pack of Camels, a burrito and a Barq's
Crossed against the light, made a beeline for the park
The sky began to thunder, wind began to moan
I heard a voice above me saying, "girl, you better get back home"

But I feel lucky, oh oh oh, I feel lucky, yeah
No tropical depression gonna steal my sun away
Mmmmm, I feel lucky today

E E B B F# F# B F#

[Guitar solo]

B [stop]

Now eleven million later, I was sitting at the bar

(A) B [stop]

I'd bought the house a double, and the waitress a new car

E [stop]

Dwight Yoakam's in the corner, trying to catch my eye

(A) B [stop]

Lyle Lovett's right beside me with his hand upon my thigh

(E) F# [stop] F# [stop]

The moral of this story, it's simple but it's true

B

B7

Hey the stars might lie, but the numbers never do

I feel lucky, oh oh oh, I feel lucky, yeah

Hey Dwight, hey Lyle, boys, you don't have to fight

Hot dog, I'm feeling lucky tonight

I feel lucky, brrrrr, I feel lucky, yeah

Think I'll flip a coin, I'm a winner either way

Mmmmm, I feel lucky today

B B B E E B B F# F# B n.G. (C#9) (C9) B9 B
[piano solo] [piano break] [crescendo] [stop]

TAB:

(Don't forget the capo on the 7th fret.)

Play the E measures
like this:

And the A measures
like this:

-----	-----
-----	-----
-----	2---2---2---2---
2---2---2---2---	2---4---2---4---
2---4---2---4---	0---0---0---0---
0---0---0---0---	-----
^ . ^ . ^ . ^ .	^ . ^ . ^ . ^ .

I'm not sure about B. It might be x244xx and x264xx (like A), or it might just be x244xx.

For the very beginning of the song, slide into the first E with 011xxx.
