[Verse]

When the sun goes down on my side of town

That lonesome feelin' comes to my door

An' the whole world turns... blue

There's a rundown bar across the railroad tracks

I got a table for two, way in the back

Where I sit alone... and I think of losin' you

I spend most every night beneath the light of a neon moon

```
Now, if you lose your one and only
There's always room here for the lonely
To watch your broken dreams dance in and out of the beams
Of a neon moon.
[Verse]
I think of two young lovers a-runnin' wild and free
I close my eyes and sometimes see
You in the shadows of this smoke-filled room
No tellin' how many tears I've sat here and cried
Or how many lies that I've lied
Tellin' my poor heart she'll come back someday
Oh, but I'll be alright as long as there's light from a neon moon
[Chorus]
If you lose your one and only
There's always room here for the lonely
To watch your broken dreams dance in and out of the beams
Of a neon moon.
