[Verse]

```

    F
I was raised off of Rural Route 3,
    C
out past where the blacktop ends,
F
We'd walk to church on Sunday mornin'
    A#
and race barefoot back to Johnson's fence
F
    That's where I first saw Mary,
C
    On that roadside pickin' blackberries,
Dm
                                A#
                                C
                                F
    that summer I turned a corner in my soul down that red dirt road
  
```

[Chorus]

F
 It's where I drank my first beer,
 C
 It's where I found Jesus,
 Dm
 Where I wrecked my first car
 A#
 I tore it all to pieces,
 F
 I learned the path to heaven,
 C
 It's full of sinners and believers,
 Dm
 Learned that happiness on earth,
 A#
 Ain't just for high achievers,
 Gm Am
 I've learned, I've come to know,
 A# C F
 there's life at both ends of that red dirt road

[Verse]

F
 Her daddy didn't like me much,
 C
 In my shackled up GTO,
 F
 I'd sneak out in the middle of the night,
 A#
 Throw rocks at her bedroom window,
 F
 We'd turn out the headlights,
 C
 Drive by the moonlight,
 Dm A#
 Talk about what the future might hold,
 C F
 Down that red dirt road,

[Chorus]

F
 It's where I drank my first beer,
 C
 It's where I found Jesus,
 Dm
 Where I wrecked my first car
 A#
 I tore it all to pieces,

 I learned the path to heaven,

 It's full of sinners and believers,
